The call I DO(N'T) want to make

## Brian

You caught my eye  
I saw the brokenness  
But I also saw perfection  
You made me smile  
You made me laugh  
Everytime our eyes met  
I wanted it to last  
But you had to leave  
I had to go  
I'll always remember  
The moments we had  
When our eyes met  
You're on my mind  
It doesn't seem to fade  
I hope one day we can meet again  
But for now I'm just waiting by my phone

## Brian

You have  
Beautiful eyes,  
Radiant smile,  
Incredible touch,  
An amazing laugh.  
Nothing can get you off my mind

## Brian

I hope I can get you back

I don't want to give up

I still can't sleep

I want you forever

I know they will say it's wrong

I know they won't support us at all

I also know that you are the one I want

I need someone to help

I need someone to call

I can't do this on my own

## The call I DO(N'T) want to make

I want to call  
to see how you are doing  
I have the number  
I am just afraid  
of what you might say  
of what they might say

Hello, this is Nicki.  
I know you do not know me  
I know someone staying there.  
I don't know his last name.  
I understand  
I know I shouldn't be calling.  
I understand the rules  
I just miss him  
I want to know if he is okay.  
Yes sir, I can wait.  
Thank you.

Hey, it's me  
Are you okay?  
Do you remember that day?  
Did you want to call?  
Why did you want my number,  
I almost lost my job because of you.  
No, it's okay it was worth it.  
Yes, It was sad,  
I cried everyday.  
Yeah, but I just missed you.  
They hated me because I thought about you,  
I never got out of bed unless I had too.  
I only wanted to be with you.  
You were the only one who cared.

Did you even think about me?  
It's been half a year,  
and I think about you everyday.  
Yes, I even look at the pictures I took of you.  
Yeah, you looked really cute.  
I miss you so much.  
It hurts because I don't think i'll see you again.  
I know you have to go.  
Please don't.  
I miss you so much,  
I want to see you.  
Okay, can we talk soon?  
I can fly out to see you.  
I'll come up with something.  
Okay, i'm sorry,  
But before you go.  
I have a question.  
Are you married?

Maybe, I shouldn't call,  
I'm not sure if I want to know  
What the other end sounds like
