A CROWN OF THORNS

A crown of thorns was placed on Jesus's head;
A short while later He was dead;
On the third day after His death He rose again to have eternal life;
Christ loved us so much that He gave His life, the ultimate sacrifice;
They accused Him;
They abused Him;
But through it all His faith never left Him;
Jesus died so we may live;
Praise the Lord for all He gave.

SHARE THE GOOD NEWS

Share the good news of Jesus Christ with everyone;
The news that Christ died to take away all sin;
God said that the only way to come to Him is believing in Jesus Christ;
So share the good news that we are free, because of what Jesus did for you and me.

I STAND AT THE DOOR

I stand at the door and want to go in;
I can enter through the doors and I know God's peace;
I stand at the door and see the life that could have been;
As I walk through the door I shed my past life and gain a life with God's guidance;
When I walk within I see the glory of God and Jesus Christ;
I will praise God and Jesus Christ for the rest of my life.

BLESSED

Blessed are the people who put their trust in the Lord;
Blessed are the weak for they shall inherit all that will be;
Jesus you died to set us free;
God will bless us one and all.

WHO IS GREATER THAN YOU LORD

No one is greater than you Lord;
You loved us so much that you allowed your son Jesus to die upon the cross so that we may live;
For this I am eternally grateful to you my Lord;
As a sinner I know that I don't deserve your love, but yet you have loved me the way I am;
There is no one more that I trust than you Lord, in the good times and the bad;
I will see you in Heaven when I breath my last;
There is no one greater than thee Lord, and no other when I pass.

BE NOT AFRAID

Be not afraid to do what is right;
Be not afraid to be children in God's sight;
Be not afraid to have the courage to try;
Be not afraid to cry;
Be not afraid to let God's light shine;
And be not afraid to let God be your guide.

LIVING FOR THE LORD

Those who live for the Lord will be blessed;
The righteous will know His love, not the rest;
Those who serve Him will not be cast out but instead will be seen by God as His flock;
The arrogant will be humbled;
The sinner will stumble and fall;
The Lord will love us one and all.

THE JOY OF THE SPIRIT

The joy of the spirit means so much;
The joy of the spirit is something you can always trust;
The joy of the spirit is what the Lord has given to me;
The joy of the spirit has redeemed my faith in thee;
The joy of the spirit will ever shine;
The joy of the spirit shall ever be mine.

STAND FIRM

Stand firm with God when the Devil attacks;
God will provide the strength to beat the Evil One back;
Stand firm in armor that God gives;
Stand firm and carry Christ's cross upon your breast;
Carry the shield of faith and do not bend;
For God is there with you until the very end.

THE WORD

To know the word is to know Him;
Through it His light will shine and never dim;
To know Jesus Christ is a plus indeed;
His love is for anyone in need;
He walked in faith was all He ever did;
He died on the cross to rid us of sin;
When you believe in Jesus you will always win.

THE HOLY PLACE

The holy place is what we seek;
A place that can only be attained by believing in Christ;
The land of peace and everlasting life;
The holy place where you will live with God and Jesus Christ.

THE TRUTH

The truth is that Christ died so that we may live;
Jesus is God's son in human form;
To know the truth we must believe that Jesus was nailed to a tree;
To deny the truth is suicide;
Christ is the way, the truth, and the life;
He is someone you can trust in times of strife;
The truth is that we need Jesus Christ in our lives.

BY HIS GRACE

By His grace the world was created;
By His grace you and I were saved;
By Gods grace we have a second chance to do what is right;
Without His grace we would see death and strife like no other in our lives;
Instead we see His goodness all around;
By His grace peace will abound.

EXALTED

God is exalted because He the king;
Let His word always ring;
His son Jesus died for our sins;
He will embrace in all things;
Believe in Him and his Son;
For they are the Exalted Ones.

HE WILL SET YOU FREE

Jesus is Lord and. He will set you free;
God is an all encompassing hold being;
God's Son was sent to free us from sin;
All He wants us to do is walk in faith, so come on in.

AS THE DAWN ARRIVES AGAIN

When the sun goes down and the moon raises;

I will pray to the Lord to hold me in His embrace, until the eve passes and the dawn arrives;

As the day begins a new I will pray to Him again, to help me through life's trials and tribulations;

As the eve passes again, I will praise God and his Son 'til the dawn arrives again.

WALK WITH JESUS

In the battle between good and evil your faith is put to the ultimate test;
Will you be victorious or will you lose like the Wicked?
The dark one will cast you into the Pit;
Jesus will lift you out of the Pit and won't hurt one bit;
To walk with Jesus is so glorious, because He is heaven sent!

THE BATTLE BETWEEN GOOD AND EVIL

Lord, I will keep Your love as my armor when life's battle is nigh;
God, I will keep your word as my sword to battle the Evil One day and night;
Jesus is my General, to follow Him is no sin;
I go into the battle between good and evil knowing I will always win!

The Word

To know the word is to know Him;
Through it Gods light will shine and never dim;
To know Jesus Christ is a plus indeed;
His love is for anyone in need;
To walk in faith is all He ever did;
He was crucified on the cross to rid us sin;
When you believe Jesus you will always win.

Lift God's Standard

Lift God's standard to the sky;

Lift His banner up high;

If you are beaten down God will lift you up in His arms and keep you from harm;

Lift God's standard and be brave knowing that the Lord is with you always.

Exalted

God is exalted because He is king;
Let His word always ring;
His son Jesus died for our sins;
He will embrace you in all things;
Believe in Him and his Son, for they are the exalted Ones.

Look into the Face of Jesus

When you look into the face of Jesus you will tremble and fear at the power and compassion that you see there;

Look at Christ and you see that He carries the Book of Life with the names of people who have been saved everywhere;

Look into the face of Jesus and see the Love that He has for us;

Look into the face of Christ and you will see the Creator of the Universe;

On that day when you look into the face of Jesus Christ you will know that He has returned for His flock.

The Seed

No matter what it may be, it all starts with a seed,
whether it be a tree or you and me;
It all starts with a seed;
God planted the seed, all of us need to believe;
As the seed grows we will know God's grace;
In Jesus's name we ask for your comforting embrace.

The Word

To know the Word is to know Him;
Through it His light will shine and never dim;
To know Jesus Christ is a plus indeed;
His love is for anyone in need;
To walk in faith is all He ever did;
Christ died upon the Cross to rid us from sin;
When you believe I Jesus you will always win;
The Word will tell you what you need to know about Heaven and sin.

What can we Do?

What can we do when we are blue?

Trust in Christ's love for me and you;

What can we do when we want to give up?

Believe in Jesus's freedom not the Devil's Pit;

What can we do when we want to be Loved?

Give thanks to God and His Son for all that they have done;

What can we do when the Devil attacks?

Ask God for the strength to fight back.

To Dream

A dream doesn't cost anything;
To dream is everything only if you heed;
God gives you the wisdom that you will need;
God's grace is all I ever want to see;
Jesus's teachings are in all that you do;
Try God's way for something New!

The Secret

Let me tell you about a secret!

Jesus is Lord and that is the way it should be;

God sent His Son to die and set us free;

I will let you in on a Secret, believing in the Trinity is all you need!

Today is His Day

Today is His Day that He gave to you and me;

By His Grace as it should be

Today is His day as He meant it to be;

Today is His Day because He is the Way.

The Way to salvation and not with the Devil or His minions;

You need not listen to what they say, because God has given you His protection in every way.

To Dream

A dream doesn't cost anything;
To dream is everything, only if you heed;
God gives you the wisdom that you will need;
God's grace is all I ever want to see;
Jesus's teachings is in all that you do;
Try God's way for something new.

God is my Co-Worker

God is my co-worker and that's the way I want it to be;
Jesus stands beside me wherever I go,
knowing He sacrificed Himself to set us free;
God is with me throughout the day, and I see His Love along the way;
God is my co-worker and that's all I ever want to know;
Lord as I start my day I pray that I do Your will along the way.

A Dream in Time

Begin with a Dream and hold on to it fast;
When reality passes Great Dreams will last,
Time, wit, and laughs will help pass the hour's;
To give form and body to that Great Dream of ours.

Cherish the ones you love for one day soon you will see them up above;
Picture a Dream and see it through for this is the way Great Tomorrows come true.

There is a place where spirits fly free, where our Love can flourish for just me and you;
So happy are the times we've had enjoying the Good and enduring the Bad.

A Dream in Time is what we need, Love the One's you have and cherish the One's you can not see;
It begins with a Dream so hold onto it tight, without the Dreams your life will be forfeited.

Limits

I can not make the Sun rise at the dawn how ever strong I may be;
I can not paint the sky with white and blue, nor can I still the stormy seas;
I can't make a colorful rainbow, nor wash the flowers with rain;
I can not make the birds sing their song, nor can I ripen the fields of golden grain.

I can not make the sun set at the eve nor can I bring the pale moon to thee;
I can't bring in the dawn, nor the light of day to see;
Nor can I make the firefly light it's light, nor can I catch the morning dew;
I can't build any mountains with their purple hue;
God's world is filled with many things I can not do, but I can build a bridge of Love to reach from me to you.

Look on the Sunny Side

There are always two sides to Life,
the Good and the Bad, the Sad and the Glad;
Looking over the Good and the Bad,
we come to see the number of Good things we've had compared to the Bad.
So thank God for the Good things He has always done,

In counting our blessings we find when we are through, we have no reason to complain or be blue;
And be grateful to Him for the battles you've already won;
and know that the same God who has
helped you before is ready and willing to help you once more.

With Faith in your heart, reach out for God's hand and accept what He send us even though we may
not understand.

Our Father in Heaven always knows what is best, so trust His wisdom and your life will be blessed;
Remember what bothers you today know that you are never alone for God walks beside you along
the way;
So Look on the Sunny Side throughout your day and know that God is your friend.

The breath of Life

Lord God you are a fresh breath of life to me;
Jesus Christ you were the one that made life possible;
God you promised a everlasting home if only we believe in Jesus;
Christ you came to Earth to feel the pain of the ones you loved so much;
Lord God you allowed your only Son to die on the Cross in our stead I know that it was tough;
We can try to repay you Lord in prayer to the Trinity;
With your breath Lord you renewed my Life with Thee.

The Lord's Grace

May the Lord keep you by His side;
God will bless you if you decide;
Decide to believe in Jesus Christ, and you
will have everlasting life.
The Lord's Grace is what we all need;
Jesus Christ died upon a Cross so that we
may live a sin free life, so take heed and listen
to the Trinity.

Clothed in White

You will be clothed in white as is God and Jesus Christ;
Jesus died upon the Cross so that we may know God and do what is right;
You must believe that Jesus is the most high;
When the days are done you will be clothed in white with God and Jesus in
Heaven.

Life's Recovery

Life's Recovery depends on your faith in Jesus Christ,
Your faith in the Lord should be the most important of your life;
that belief in God and His Son will always make you strong,
through Christ guidance you will hopefully do no wrong;
Life's Recovery depends on your faith in God and Jesus Christ.

Become One with Christ

To become one with our Lord we must believe;
To believe in Jesus Christ is all we need;
To become one with Jesus it seems simple to do, but is so hard to achieve,
just admit you are a sinner and get on your knees;
Just humble yourself and be blessed indeed.

You Forgave Us

Oh Lord, you forgave us for all we've done;
You forgave the transgressions of everyone,
when you died upon the Cross;
You showed us who was the Boss.
Instead of punishing us you forgave for everything;
You died so that we may live, praise the Lord in all things.

The Transformation

It was You oh Lord, who transformed me from a sinner into a righteous man;
It was You Jesus, who took me from the pit and carried me into the Light;
It was You Lord God, who loved us so much that You let your Son Jesus die for us;
I will forever give you praise far and wide until the day I die.

I cried to the Lord

I cried to the Lord to save me from despair,
I knew in an instant that He cared.
I cried to God to keep me from sin, He said "believe
in Christ is where you begin";
I cried to Jesus to give me peace, in a blink of an eye He
gave me everlasting life;
I cried to the Lord and I will praise His name, because my life
would be worthless without Jesus Christ.

The World Goes Round

The World Goes Round each and everyday;
God walks with us along the way;
With Christ beside us we know our lives will be blessed;
We can live our lives without any stress.

The World Goes Round and God's compassion surrounds us all;
We live our lives with a choice between good and evil;
Pick evil and know the Pit, pick good and know everlasting life in Heaven;
God's Love holds no bounds;
The World Goes Round and Jesus's Love abounds.

Need Him

Oh Lord, hear my cry;

I need Jesus in my life;

It seems that life's troubles have become a burden.

I need Christ to help climb out of my dungeon;

I need Jesus to help straighten out my life, and to comfort me in times of gladness and strife.

I need God as a guiding light through the fog of my existence;

Like a safe harbor in a storm that is my life;

Jesus Christ is who I mean, and I need Him in everything.

By His Grace

By His Grace the World was created;
By His Grace you and I were saved;
By His Grace we have a second chance to do what is right.

Without His grace you would see death and strife like no other in our lives;
Instead we see His goodness all around;
By His Grace peace shall abound.

God's Mercy

God's Mercy is what we see everyday, and we should follow Him in every way.

The mercy of the Lord is seen through His Son Jesus Christ, God gave His Son to die so we may live.

Praise His name for what He gave.

God's mercy is seen upon the Earth below, glorify Him by worshiping Him above.

Share the Good News

Share the Good News of Jesus Christ with everyone;
God said the only way to salvation is through believing in Jesus Christ.

So Share the Good News that dew are free,
because of what Jesus did for you and me.

A Dream In Time

Begin with a Dream and hold onto it fast;
When reality passes, the Dream will last.
Time, wit, and laughs will help pass the hours;
To give form and body to that Great Dream of ours.

Cherish the ones you love, for one day soon you will see them up above.
Picture a Dream and see it through for this is the way Great Tomorrow's come true.

There is a place where spirits fly free, where our Love can flourish for just me and you;
So happy are the times we've had, enjoying the Good, and enduring the bad.

A Dream in Time is what we need;
Love the Ones you have and cherish the Ones you can not see.
It begins with a Dream so hold on to it tight, because without the Dream our lives will be so empty
and sad.

God Grant me Your Peace

God Grant me Peace that only you can give;
the Peace that comes from within when we believe in Him.
Lord, let your light shine for all the world to see;
let it shine from the people who are "born again" like me;
God Grant me Peace that comes from within, when we change our lives and follow His teachings.

God Grant me Your Peace, and walk beside me as I travel the road called life;
I know that I will have trials and errors, but with you walking with me I will succeed;
God guide me in your ways so that I can show the world who you are;
that is the the way that You want it and that is the way it will be.

The Power of Prayer

The Power of Prayer is great indeed;
especially the ones in dire need;
The Power of Prayer will humble men, but stand tall when you pray aloud;
Pray to Jesus Christ and you will receive His grace.
Sing praise to God because He is the creator of the Universe;
Pray to the Spirit, the last of the three and believe in the Holy Trinity. Amen

The Spirit of the Free

The Spirt of the Free is within those who believe;
The feeling of being free was given to me by Thee;
It was given with a heavy cost, when Jesus died upon the Cross;
What really makes it unique is that you can receive it if only you believe in the Trinity!

Creation

God created all that you see;
Then He created you and me;
When the Devil came along and tricked Eve to sin;
God told them that they had to leave Eden.

Jesus Christ was born to man to take away all sin, and
when He died upon the Cross He left everything cleansed.
You and I are the heirs of God's kingdom;
All we need to do is repent our sins and believe that Christ died and was
raised again;
When we repent we will receive the keys to Heaven.
So when we think about Creation we should get on our knees
and thank God for what He has done for everyone.

The Sacrifice

The Sacrifice Jesus made for us was the ultimate one;

When He died upon the Cross He ushered in a new beginning just for us;

The resurrected Son of God now sits at the right hand God;

To have their blessings we need to believe in God, Jesus, and the Spirit when this is done we will sit in Heaven with the Trinity.

Faith in Jesus

Faith in Jesus is all you need to accomplish mighty deed;
Faith in God will test your resolve when you walk with Him the whole world round;
Do not be afraid to say that you believe because your Faith in Jesus is all you need.

Choose which Life

Which life do you want to live, one that leads to Hell or the other promises everlasting life?

Jesus died instead of us , so that we may God's plan for our lives.

Give all the Glory to God because we will live with Him in Heaven.

Create in Me

Create in Me a pure heart dear God,
one that has been saved by Christ's blood.
Create in Me a new heart, oh Lord;
one that wants to live according to Your Word.
Create in Me a thankful heart, oh God;
one that believes Jesus died for us;
and with your grace will serve Your Son Jesus.

Create in me a humble heart, oh Lord;
one that bows down when You are near.
It is my hope that I will follow You year after year.
So Create in Me a grateful heart, oh Christ;
one that knows you walk beside me through all my joys and all my trials.

The Light Within

The Light Within shines whenever we are born again;

It comes from God to me for all the world to see.

The Light Within is the light of the Spirit of the Trinity.

When you see The Light Within know that the Person is Spirit filled, and will live in Heaven with the Holy Three.

When You're In The Presence Of The Lord

When You're In The Presence Of The Lord you'll know that Christ is King;

When you feel the spirit of God let it flow through all your being.

When you face the Devil call to Christ to help you through the trials;

With Jesus in your life you will never be blue.

When You're In The Presence Of The Lord you'll enjoy everlasting life, and that's the truth.

Understanding

Understanding will keep you from the Wicked Ways;
Insight will lead on the straight path all your days;
Knowledge will guide you to both the good and bad;
Comprehension will show you God and His Son;
Understand the Knowledge and accept God's grace;
Understanding will keep you in God's embrace;
Understand God's Word and you will know a path in life that is so dear.

Who Can Say

Who Can Say that they is without sin, it is Jesus Christ and His kin;

Who Can Say that they will have eternal life, it is the righteous ones because they do what is right.

Who Can Say that they have a new life, it is us who believe in God and Jesus Christ.

Blessed

Blessed are the men who put their trust in the Lord;
Blessed are the weak for they shall inherit all that will be;
Jesus you blessed us when you gave your life to set us free;
God Blessed the Anointed One and all those who believe.
God Bless one and all for You are part of the Trinity.

Trust In The Lord

Trust In The Lord and all His glory;

If we stand beside Him we need not worry;

Trust in God and all His might;

Believe in Him and you will always win the fight;

Trust in the Lord and His mighty works, hold your head up high as you walk through life knowing that Jesus is by your side.

My Song of Praise

I sing a Song of Praise to you every morn I wake;
I shout praise to God each night before I sleep;
I turn my eyes to you Lord as I feel your presence;
I sing My Song of Praise knowing you walk beside me always.

Life with Christ

You're life with Christ will be beyond you're wildest dreams;
A life with God is something that you will receive if you believe;
It is a new life filled with wonder and grace;
You should step out proudly and proclaim Jesus is great.

Eternity

Lord you are the one I love, and this I want you to know;
You mean more to me than anything and that's so;
Jesus your love gives me happiness in every way, the kind of love I need everyday;
If I could just one wish do you know what it would be?
It would be to live with You for all eternity.

The Lord Loves Us

Lord, let Your love come from thee, because human love can be blind;
Your love is all we need when in a bind;
Your kindness is what we need, as our eyes turn to thee;
We pray that You will take our hurts, fears, and evil thoughts from me,
until such time our restless hearts are soothed in peace;
Your love will come unrestrained to us indeed;
Your Spirit is within us, and we glow with warmth and loving care;
Hold us in Your unwavering embrace each and everyday;
The Lord Loves Us and that will never go away.

Be not Afraid

Be not Afraid to do what is right;
Be not Afraid to be children in God's sight;
Be not Afraid to have the courage to try;
Be not Afraid to cry;
Be not Afraid to let His light shine;
And Be not Afraid to let God be your guide.

Living for the Lord

Those Living for the Lord will be blessed;
The Righteous will know His love not the rest;
Those who serve Him will not be cast out,
instead will be seen by God as His flock;
The arrogant will bear humbled;
Sinners will stumble and fall;
The Lord will Love us all when He comes back.

Life with Christ

Your Life with Christ will be beyond your wildest dreams;
A life with God is something that you will receive if you believe;
It is a new life filled with wonder and grace;
You should step out proudly and proclaim that Jesus is great.

Teach Me

Oh Lord, Teach Me your will so that I may keep it for Eternity;
Oh Lord, give me the understanding so that I may follow Your law with all my being;
Put me on the path that you command, there I will find happiness all the my days;
Oh Lord, Teach me your ways because that is where I want to stay.

Lord and King

Jesus Christ is Lord and King;
May His goodness and mercy reign supreme;
His light will shine upon you if you believe;
Let His love fill yourself very being.
So go out and praise His name in everything;
Lord, you are my King and I praise your name for eternity.

Their Glorious Deeds

Their Glorious Deeds are what we should follow indeed;
Jesus died so that we we may live, in exchange we must believe;
Give your heart to God and His Son believe in them everyone.
Their Glorious Deeds speak for themselves,
for there is no other like them on Earth and in Heaven.

The Lord is Supreme

The Lord reigns over Heaven and the Earth;
He is robed in the purest white because He is without Sin;
He created the Cosmos in a blink of His eye;
He knew each of us even before time;
Each one of us know the God is the Sovereign One indeed.

The Test

The Test you gave us today is like no other that we have seen;
Each test strengthens our resolve to walk in Faith and put in the past all that has been;
Renew us each and everyday, so that we walk with you Jesus, always.
The Test that you give us today is a test of Trust so that when the day comes we will know
no matter what happens You will be with us in Heaven.

Lord Bind Me

Lord bind me with Your love and grace;

By your blood I am saved.

When You died on the cross that day You wiped away all my sins;

With Your breath You gave me a new life, and by Your grace You gave me eternal life.

Lord bind me with Your perfect life the way to Heaven.

The Baptism

As Jesus was baptized with water so it shall be with me,
but also I need to be baptized in the Spirt of the Trinity.
Christ died upon the Cross to wash away all Sin;
I shall all die unto within myself when we are baptized as our
Lord Christ;
When we are baptized with God and Christ Jesus we shall know them without and within.

My Heart belongs to You Lord

Jesus, My Heart belongs to You for what You have done for me;
When Christ died upon the Cross He showed us the Love that He has for me.
When the Lord rose again He took away all sin, for that act I can never repay;
All I can do is believe in Him and pray to God, the Spirit, and thee each day;
It is by God's grace that I am here today.
So My Heart belongs to You Lord for all Eternity

Z

By His Stripes

By His Stripes Jesus suffered and died;

By His Stripes Christ gave the ultimate sacrifice, His life;

With His stripes He rose again to sit with His Father in Heaven;

By His Stripes, His Death, and resurrection, Jesus Christ saved us from Sin.

Walk Beside Me Lord

Walk Beside Me Lord, as I travel life's roads;
Walk Beside Me Lord, in the good times and the bad;
Jesus was crucified and hung on the Cross for all the world to see,
because He claimed that He would take away sin from you and me.
In reality He rose again so that He did take away the Worlds sin;
He now sits with God the Father in Heaven;
When I ask the Lord to walk beside I believe in Him and that He will always
be beside me on life's highway.

Give Thanks

Give Thanks to God up above;

Give Thanks to Christ for what He has done.

Jesus was crucified to take away all sin;

On the third day after His death He rose to have everlasting life with God
the Father in Heaven;

The Lord died so that He so that we may live, He gave His life the ultimate sacrifice so
that we would live without sin;

Give Thanks to God and His Son because they love us so much that God sacrificed His
only Son Jesus as the ultimate sacrifice.

God Grant Me Your Peace

God Grant Me Your Peace that only You can give;
the peace that comes from within, when I believe in Him.

Lord, let your light shine for all the world to see;
let it shine from people who are "born again" like me.

God Grant Me Your Peace that comes from within when we change our lives and follow His teachings.

God Grant Me Your Peace, and walk beside me as I travel the road called life;
I know that I will have trials and errors, but with You beside me I will succeed.

God guide me in your ways so that I can show the World who you are;
That is the way that You want it, and that is the way it will be.

God Sent You

Heaven sent Christ to Earth and to us;
Jesus, You were crucified to set us free;
Lord, you died upon a Cross, your act of mercy endures to this day;
God sent You so that we may walk beside You and Christ for eternity.
Heaven Sent You so we can see God and Thee;
We can see if only we believe in Jesus and Thee and the fact that Jesus died to take away all sin
from you and me;
God Sent You to us because we all are sinners and want to know God, Jesus, and the Spirt, the
Trinity.
God sent You to us so that we believe and be set free.

The World Goes Round

The World Goes Round each and every day;
God walks with us along the way;
With Christ beside us we know that lives will be blessed;
We can live our lives without any stress.
The World Goes Round and God's compassion surrounds us all;
We live our lives with a choice between good and evil;
Pick Evil and know the Pit, pick Good and now everlasting life in Heaven.
God's Love and compassion holds no bounds;
The World Goes Round and God and Jesus love abounds.

The Things You See

The Things You See about you today were created with Love and Dignity;
The flowers were created to make the world beautiful;
The mountain and seas were put on the Earth to remind us of the Lord's worth;
Though God gave us all, we think that God thinks we're small;
Not so says Jesus Christ, I Love You as a Brother and so I give my life in your stead;
I died so you may live and ascend to Heaven;
The Things You See about you today were given to you through Christ's blood and Gods Love.

with the Trinity.

The Dream

I had a dream of my past, it seem to be calling me back;
In the dream I went back to a town in which I had lived,, I felt a sense of longing and dread.
For I know that if I don't go I'll miss something that I should know.
What it is I don't know, but I still have to go.
The Dream comes from the Lord above, but what it means I don't know
When I go I don't know, but when I do the dream and my place in God's Universe

New Beginnings

In the beginning God made Earth in a blink of an eye;
In six days the Lord gave everything life;
On the seventh He rested and prayed that we would walk in faith;
He wanted us to be renewed each and everyday;
God gave us each new beginnings and hope,
all we need to do is believe.

Salvation

We all want the Lord's salvation in our lives;

Christ's blood and belief in Him;
Belief that He dead for our sins, and rose again;
and sits on a throne in Heaven;
By His Blood we earned the right to say that we are His children.

The Potters Wheel

We are a lump of clay on the Potter's wheel;
God will shape us according to His needs;
Christ uses that Wheel to mold us into a vase with His hands;
God is the Father, He is someone you can trust because of His deeds;
His word shall ever stand;
God will shape us into a vessel to spread His Word across the land. Amen

Christ gave us the ultimate gift, so we can accept it or not.

?Feelings?

The Feelings I have for Jesus run deep and pure, and will forever endure;

If I didn't know Jesus in my life it would be a mess;
I know now that God's way is the best.

What Purpose

What Purpose do you have for us who believe in thee?

Could it be to bring peace in everything, or is it to bring Your love to the world in which we live?

Or is it just to live in the ways of Jesus?

What is our purpose, only You know Lord and You will tell us on Your time and place.

Become One

To become one with our Lord we must believe;

To believe in Jesus Christ it seems simple but so hard to achieve, just admit you are a sinner and get on your knees and humble yourself and be blessed indeed;

Walk in the ways of God and His Son Jesus and become one with them and all creation.

Let Your Light Shine

Lord, Let Your Light Shine in me;
the light that the whole world sees.
Let Your Light Shine in a world full of gloom;
that light will shine in even the darkest of rooms.
When I wake each day that light will guide me in every way.
It shines in every thing I see wether it be a bird and a flower in bloom;
you see it shine forth in every darkened room;
Let Your Light Shine forth, and know it comes from Thee.
