I wish to be as deep as sea ,

I wish to be as fast as wind ,

I wish to be as fierce as fire ,

I wish to be as kind as earth ,

Ohh.. how I wish, I could be??

REALITY

Believe in NOTHING..!

Because when EVERYTHING fades..

NOTHING will stay .!

Grow up

Expectations kills REALITY
desire kills PERSONALITY
Wake up dear, it's FAKE WORLD !
Storm and thunder right ahead you ,
Calming mind gets rid of you,
Struggling in the water - makes
You wet all over the brain !
Your success gone abyss,
Your failure stops in front of your mind,
Crying like a baby ,
You struggle to start again.!
Tidy up yourself,
It's time to face cruelty !

My new version

?I updated my new version
My heart is made of stone ,
It won't show you any mercy,
My mind is made of formulas,
You can't trick me anymore ,
My brain is made of hallucination ,
You can't manipulate me with your silly tricks !

I updated my new version,
I can let go all my useless emotions ,
I can let go of my anger towards you ,
I don't waste my time fighting that I'm right,
I don't care how you people think of me !!

I'm me ...
I can dance and sing in the middle of the night,
I can shout my name at end of the world,
I can walk like a lion in the middle of the crowd ,
I can make you bow to me like I'm the QUEEN ? !!!

LATER.??

?Later will be too late ,
One day you gonna regret ,
It's too late to change the fate !
Sane become insane ,
In this ritual cycle - which will
Make you into clone of someone !
Even the last flight taken of ,
Missed the very chance to go on !
Later
Then the life teaches us
The later the choices ...
The less the chances are !!

Hypocrisy

Everyone says I'm kind and beautiful
And the angel sent by the god !
But no one knows I'm the one
Who leads the pack of awful souls
To enjoy the fear of everyone ...!

Ohh yes I have two faces ..
One is hypocrite and
The other is leader of hypocrites !

You treat me as your friend - but
I'm the one who stabs you in the back !
I say you can get better - but
I pray you may suffer !

Be Careful against me ..
Don't believe me because..
I can just manipulate you to
Kill yourself with your own sword !

Because..
I'm an Hypocrite...!

LIFE is too ...?

Life is too long to realise
And too short to live !

Life is too hard to survive
And too easy to kill !

Life is too good to blame
And too bad to accept !
