My poetic Side 

Dedication

Why not ask me directly? I'll tell, for sure. ^^

Acknowledgement

My feelings, throughout the years.
Just that. Hope it works.

About the author

I'm a CSE undergrad student from Bangladesh.

I have a thing for poetry, & I don't quite know where it stems for.

But yeah, It's there! So, hope you like it ^^

Naumeedi

Suno Ae Dost

Alvida

Khushiya Laut Aayegi

Jab zindegi mein "zinda" hai,
Phir kyu dil mein behchayni?
Aaj gham hai, kal bhi rahegi,
Ekdin toh khushiya laut hi
aayegi. ?

Kab Chahne Lage Tujhe

Dil ka sukun hai tu
Pyaas mitane wali paani ki boond hai tu
Pyaar nahi tujhse Kiya maine,
Umar bhar ke liya yaari kiya tujhse maine
Tu Jo na dikhe ye dhadkane numb si jaaye,
Teri ek jhalak se Dil mein jaise rounak aajaye
Humnava mere, bemalum aashiq hai hum tere
Chup chup ke dekha karta tha main tujhe,
Pata na chala kab chahne lage tujhe, kab chahne lage tujhe....

Ample Faith

The path to success is all but narrow More downs than ups, will surely help you grow! Maybe a little late, a little slow Have ample faith & one day, *you too shall glow*.

The Clouds & The Breeze

I'm like the clouds, *she's the smooth breeze* Her love shapes me, *she even makes time freeze*.

"Let's Hold Each Other..."

On a heavenly day, at sunlight's bay, When the sky bathes in endless colours. May we meet again,
so I could say, *"Let's hold each other & laugh for hours."*

Jeelo Roz, Aakhri Baar!

Kehne ko baatein hai itne, ki alfaaz kam parjaaye
Zindegi ko jeena hai, baas itna hi hum samajh paaye
Shukar manao aagar ek aur subha, neend poori hojaye!
Kya pata?
Shayed uss raat humein, aakhri baar neend aaye ?

Mushkilaat-e-Zindegi

Jinko khabar hai, unko qadar nehi

Jinko qadar hai, unko khabar nehi

Kaha Jaaye?

Humse toh soya nehi jaaye, roya bhi nehi jaaye
Bata do humein ki jaaye toh phir kaha jaaye?

Kisiko ye dard samjha na paaye. Jo bhi paaye, kya khub paaye!
Nakamiya hazaro mili par sukun? Sukun kabhi na iss dil ko aaye

Kitne aaye thhe, aur kitne chale bhi gaaye,
Par gaaye jo Woh ekbar, yaadein unke baar-baar tarsaaye.

Kuch baat thi, andaaz thi, kuch toh tha jadui si tum'me
Aise hi nehi dil lubhana, meri jaan baasti hai uss'me

Aitmaam Kiya

Aitmaam kiya meine ek chiz, kuch iss tarah
Ki mere har alfaaz, kisi aur ka hai silah

Mutma'een

Hazaro pareshaniyo ke beech, thori fursat-e-sukoon mili hai Kuch aisa samajhle ki hum, thore mutma'een hogaye hai

Nawazish

Bin-chupaaye kabhi toh kuch kaha karo

Humpe aap itna toh nawazish ho

Zindegi, Khushfemiyan aur Beetein Baatein

Taur-e-zindegi hai khushfemiyan se bhari

Har din beetein yahan bin kahe baatein kai

Gham-e-Ikhtiyar Nehi

Kuch kehna chahte the hum, par kahe bhi toh kya kahe?
Sunne-ka shaukh hai tumhe, par baatein sirf tumhi karte rahe

Tumhi ajeeb ho, bahaane bhi tumhare kamaal ke
Sunne ki baat thi, par tum the hi sawaal ke

Yuuhi toh daur-e-zindegi mein kitni rahi pareshaniyaa,
Saare gham-e-ikhtiyar na ho, dil mein chahe rahe mausam-e-khamoshiyaa

Hazaar baatein thi kehne ko, magar sunne waala na tha koyi
Afsos ke iss zindagi mein, mujhe samajhne waala mila na koyi

Umeed aur Dua

*Humein aab iss chiz (pyaar) ki, raha koyi shaukh nehi
Umeed karte hai ki tumhe, isski kabhi na ho kaami koyi*

*Khayalo mein uljha har kisiko, mil jaaye apni mohabbat
Dua karte hai ki tumpe, kabhi na aaye tut-e dil ki naubat*

Lihaaz Nehi

*Jis rishte mein kisi ek ka lihaaz nehi,
Uss rishte ka hona bhi belihaaz hai*

Woh Insaan

Woh shaks jo yaadon mein baasta hai par dil-o mein nehi.

Woh rahe toh mauj-e-sargam ho par unki kaami kisiko aagaaz nehi.

Woh jo baatein sune sabki par unki baari kabhi aata nehi.

Woh jo haaste hai zoro se par asal mein muskurate bhi nehi.

Har woh insaan jo rawnak laaye zindegi mein, dekhna? woh kisike apne ban paate nehi.

Wajood

"Mujhse itna khafa-khafa kyu ho aap?" puchne waale, samajhte kyu nehi?
Bewafai se tanng hogaye hai hum, mizaaj pehle jaisa sehma-sehma, rehta nehi

Baatein choti ho, ya phir bari
Ahsaani se chir-chir hojaate hai
Galti karna koyi buri baat nehi
Baas pehle jaisa andaaz raha nehi

"Umar ho gayi hai shayad" ye bhi koyi wajah huyi?
Aise thhe ki toot ke bikhhar jaate, lekin kaan-o-kaan kisiko khabar nehi
Woh log jo zindegi se na haare, woh umar se har mann jayengge?
Ye baat tum sabit kardo, hum gulami tumhare ba-umar karengge!

Har shaks jo badalta hai, yunhi nehi badal jaate
Dil mein jo hai inke, log woh samajh nehi paate
Kitni dafa ek hi baat dauraye, kitni bar wohi geet gaaye?
Suna liya puri duniya ko humne shayad, par samajhne waala ek bhi dhoond na paaye.

"Mujhse itna khafa-khafa kyu ho aap?" puchne waale, tum kab samajhoge ye?
Na tumse, na duniya se, itminan kiya meine ke sirf khafa hai hum,
Aapni befizul wajood se.

Par ye bhi saach hai ke humne apni hisse mein kuch neki kamai hai
Heere-Moti se anmol dost miile kuch, jahan-e-khudgarz iss mehfil mein
Shukar manate hai *Khuda* ki hum, saabke saapne *Woh* puri kar de
Khushi bhi ajeeb hai meri, kamyabi jiski bhi ho dekh ke sukoon milta hai

Ek Shaks

*Ek shaks hai behaad khaas, naam nehi lungga
Naam le liya toh mein bhi shayer kehlaungga*

Auraaq-e-Dil

Auraaq-e-dil ke panne,
Ulat rahe thhe hum akele
Ek roz kisine bola, "bahar kuch log aaye hai, aap jaake mille"
Kuch kar rahe thhe hum, issliye unko andaar bula liya
Kuch juniors aaye thhe, jinme ek thhi aisi, jisne mera nazar kaarliya

Woh aayi thi kuch puchne mujhe,
Baaton pe ulajhne mujhe,
Seedhi saadhi?masumiyat waali,
Chamakti, gol?aankhein waali,
Jaise koyi sitara door ka,
Mere samne aa khara huwa!

Hum ulatna bhul gaaye, unke andaaz mein khogaaye
Baad mulakat?ek nayi baab ki huyi shuruwaat,
Iss nachiz ke dil pe baas gayi?pariyo ki rani,
ek haseen,
auraat ?

Naumeedi

Jis umeed pe duniya kayem hai

Hum uss mustaqbil ke layek nehi

"Naumeedi kufir hai", kehte hai log mujhe yaara!

Zindegi se hi aaj dil uth gaya hai mera

Suno Ae Dost

Dil baith gaya hai, Soya toh nehi
Malaal hogaye phirbhi, Roya toh nehi
Kisi aur ko muddat samjhaay na saake,
Aab aur na aise hum guzara kar saake
Ye behchayni aab hum seh na saake,
Sabar ke iss imtihaan mein ae dost,
Aakhir taak hum Khaare na utar saake

Alvida

*Bande hai hum unke, hum pe kis ka zor?
Umeedon ki saari, chodh di humne do'r
Milke saare udd chale, todd ke armaan-e-jahaan
Awaara ek parinda banke, takta raha neela aasmaan
Bulava kisi roz aayegi, intezaar-e-ant ki
Munasib lamha thori hota hai, Alvida karne ki?*
