## ETERNAL LOVE

Jesus is the  
Eternal love  
Sent by God  
From above

Like a father  
For me cares  
Delivers from  
All the snares

Makes for me  
A Choice good  
That's Driven by  
His Fatherhood

Like a child  
Does carry  
To bless me  
Doesn't tarry

With problems  
Wisely deals  
Each infirmity  
Too He heals

## TWIN BLESSINGS

Both of these  
Blessings twin  
Bless the one  
Cleanses all sin

Faith does  
God please  
Difficulties  
Does ease

Divides it  
The sea  
Hope makes  
One to see

Makes to  
Forebare  
All others  
Truly care

## **GIFT FROM ME**

Gift From me  
Not expensive  
Neither meant  
To be impressive

My Desire is  
Your gladness  
Elimination of  
Whole sadness

May always you  
Broadly smile  
With happiness  
Of every style

Of everyone  
Add to pride  
And be on  
Winning side

May you also hit  
Milestones more  
That wish is from  
Me to be but sure

## YOUR BIG DAY

Previous year  
About to end  
To new one He  
Will gently send

All things will  
Be totally new  
Pure and true  
Like dawn dew

New hope  
New might  
Each day  
Every night

May smile  
For you sky  
Thats above  
Too very high

Ground below  
May too salute  
Birds may sing  
As sweet flute

My respect  
Do present  
As rose is  
Real scent

## THE LIFE

He is Jesus  
Who is life  
Frees one  
Of all strife

Also is He  
The only Way  
He Blesses one  
Each single day

He is the  
True One  
Righteous  
Only Sun

Jesus is  
True Wine  
In true dark  
Does shine

Heals the sick  
Quickens dead  
His flesh is the  
Of life true bread

Lilly of valley  
Of Sharon rose  
From the dead  
He also arose

Eternal Father  
And also Friend  
To.the.heaven

Will He too send

## SWEET CLOCK TICKS

Each one it does  
Sweetness mark  
To burn as light  
Left not as spark

Assures too  
Summer end  
Winter does  
The one send

Kids show  
Art with fun  
All on them  
As unit one

The Costumes  
Worn unique  
Each moment  
Do all but seek

Cute couple of  
The Fun and fall  
Felt by all humans  
Either Short or tall

## JOY

A time to  
Celebrate  
Life with it  
To relate

For all is  
It meant  
Of each day  
A true scent

Is To be held  
In high esteem  
Grants feeling  
As a nice dream

## Rejoice evermore

Theme of year Everytime rejoice  
Not as compulsion But by choice

Knowing that He is good  
Has eternal Fatherhood

Experience His Brotherhood

This given as command  
Not request or demand

## CHRISTMAS 2023

Will be the  
Time best  
Will grant all  
His real rest

My Savior  
Will lift high  
His Name will  
Shout and cry

For Him will  
Also loudly sing  
My best at His  
Feet will bring

Heavenly Father  
And Elder Brother  
Wonder like Him  
Is no being other

With a gift from  
Him will return  
With passion for  
Him only burn

## STAR OF BLESSED EVE

Christmas image  
Is Also the star  
Clearly is it seen  
Also from very far

Star did lead  
The wise men  
Who came to  
See Christ then

Jesus is the  
Morning star  
With the one  
Infinite power

Will he as  
Star shine  
With His sons  
One day dine

Is present till  
World's end  
To heaven will  
He alone send

## FAVORITE CHRISTMAS GIFT

Christmas gift  
My favorite  
All my desires  
By it are met

Spend time in  
His presence  
Blessings of it  
Are immense

True comfort and  
Peace does give  
Sins and inequities  
Makes Him forgive

My feelings to  
Him pour out  
His Name only  
Scream and shout

Without it is  
An empty day  
Clearly this do  
I boldly say

## VALENTINE WISH
