BLESSED TRAITS

Faith comes

Virtue from the
Almighty above

Both the traits
together come
For masses
Not just some

HIS PROMISE

Promised by Him
Who does it keep
Good Shepard is
He alone of sheep

Messenger of the
Promise prophesied
By the Almighty Who
Has never ever lied

Messenger to serve
Him was only meant
One Who is but like
The fragrant scent

Purpose was to
Prepare a way
For the one Lord
Each and every day

HEAVENLY BREAD

Christ is of
Heaven Bread
He heals sick
Quickens dead

From heaven
Came He down
Loves each city
Country and town

Will live who
Will of it eat
Heart too Will
Always beat

He is the bread
Who always lives
Grace and life to
Everyone He gives

Like worldly bread
Totally is He not
Rescue to the world
Of destruction brought

JOY

Joy is a
Treasure
Worth of
No measure

Offered
To but all
Either short
Or the tall

All beings it
Must treasure
With add really
To the pleasure

Granted by
God up above
Does it out
Of His Love

It's my word of year
To my heart is near
Gives me joy sheer
Hold it I but very dear
Message is but clear
Wipes away each year
Makes me to smile
Conquer every mile
