## About the author

Cynthia Kelly lives to write. And writes to live.

## summary

Olivia Ran

Late Kate

## Olivia Ran

Down the beach  
Olivia ran  
Where foaming surf  
Meets rolling sand

O'er the whitecaps  
Seagulls glide  
Soaring upward  
Wings spread wide

Imperious wives  
Ebb and flow  
Pirate's dream  
Sovereign gold

Sunburned land  
Glimmer mist  
Shifting shadows  
Ocean kissed

Thunder cloud  
Fading light  
Sunset smile  
Purple night

Starfish twinkle  
Full moon face  
Fiddle crab spins  
Seaweed lace

Constant tide  
Salty scent  
Treasured time

Moments spent

Seashells whisper

Soft goodbye

Comet cartwheels

'Cross the sky

Down the beach

Olivia Ran

Where foaming surf

Meets rolling sand

## Late Kate

Hello  
My name is Kate  
And sadly, I procrastinate  
It's not a choice  
It's just my fate  
It is a most annoying trait  
Whenever I have made a date  
With anyone...perhaps a mate  
Minutes will turn into hours  
Seedlings will grow into flowers  
Ever since I've been alive  
I've been tardy to arrive  
If I say, "Please pass my plate."  
They tell me they've already ate  
It is a state  
I've grown to hate  
But I cannot increase my rate  
If you are parcel post, I'm freight  
Forgive me if I hesitate  
I wish I could participate  
These circumstances mitigate  
I'm sorry to have made you wait  
Time is hard to understand  
It stretches like a rubber band  
And though I try, it passes by  
And leaves me here to wonder why  
So when my weary life is done  
And I have finished all my fun  
St Pete will meet me at the gate  
And he will ask, "Why are you late?"
