## Virgin Peace

Dear mother of peaceful virtues,  
I thy son breed by your patience,  
Call unto thee tree of happy fruit,  
For I'm weak give to me strength.

## Otojusumi

I've lived it all, memories in my head,  
Pains piercing my mind like razor blade,  
In the dust I'll return that I would fade,  
What is my gain if my peace I've trade ?

## Sunmi Siwaju

Across seas I sail with my monkey tail  
Die hard I pray this mission I don't fail  
Cash check notifications in my mail

## Akoko Ife

From the depth of ocean of pains,  
Comes light that shines my peace.  
In my soul happiness was breed,  
And forever I will let love lead.

## Daduro

Alone in my dream,  
Day and night film.  
My heart do drain,  
Pains in my vein.

## Majekodunmi

Pain the author of my power,  
You drowned lovely me into sea,  
And mine happiness beneath the earth.  
Where has thou taketh my peace?

## AJANI

Flying tall but as well numerous lows  
No sweetheart to indeed gift me rose

## Igbalaye

For nothing I have is truly mine  
Stood to look at the end of tunnel  
Where I could not find the light  
When it is dark, and earth was void  
Will such a great man fall into hell ?

## For You

The truth, cherished by my sincere heart.  
Tolani, woman of virtue she was a rare gem.  
Appeared to become the black lady shining with light.  
Through dark days you were the lamp to my path.  
What else could my lovely heart tells of you ?  
May your life be filled with joy and a man of peace.  
As honey is to bee, Good things shall thou see.

## **Resurrected Ashes**

**Fell into fire my balls are hot,  
Drowning in flames of thought.  
Real movie, but whole lot of cut,  
Time ticks, now is better for the shot.**

## **Love only**

**My heart so full of emotion  
Words in my pen I can't say  
Your words, like sweet honey, they roll  
My soul they touch, my love they console  
Your cuteness knows no bounds  
Gentle eyes like that of a dove  
Your beauty, like a rainbow, divine  
My soul it stirs and my heart it heard**

## **Eleda Mi O**

**Cleanse my head oh lord,  
Drown me in your blood  
Your word I have read  
Give me my daily bread.**

## BEHIND

At end of scene,  
Held my cup of sin.  
Drunk,I sang hymn,  
This was no dream.  
Dead in wonderland,  
Wept abandoned behind.

## A LADY, A SMILE

Wandering the earth from above,  
I saw a Miracle filled with love.  
Faraway I could sense her beauty,  
Her smile I long for in reality .

## **A LADY, A LIFE**

**White a color, black a mystery,  
Her creamy lips compelled me into poetry.  
I was left with love, deprived of choice,  
Agnes! to my ears she was a loud voice.**
