Into Your Eyes

My Dreams

## Into Your Eyes

As I gaze into your eyes,  
I witness the hopes and dreams of a young lad,  
The innocence within them, undiminished by time.  
As I gaze into your eyes,  
A fire and passion burn ever bright,  
I watch you grow, uncertain of what the future holds.  
As I gaze into your eyes,  
Values you uphold, preserving warmth in your heart,  
I see that sparkle, hoping never to witness you cry.  
As I gaze into your eyes,  
Time marches on, yet you cling to,  
A life different from what you had envisioned.  
As I gaze into your eyes,  
The once fiery spark begins to fade,  
Yet, even as it dims, you navigate your way.  
As I gaze into your eyes,  
I see a man whom I adore,  
A pure heart enduring as ever before.  
As I gaze into your eyes,  
You smile, leaving me in ponder,  
You claim weariness, and I wonder why.  
As I gaze into your eyes,  
Once ablaze with passion and life,  
They settle, dimming down.  
As I gaze into your eyes,  
You meet my gaze, offering that once radiant smile,  
And say, "It's time to go."  
As I gaze into your eyes,  
You reveal words long kept,  
"You see, your eyes, so lovely, all you've been through,  
In our gaze, I found a love beyond compare.  
Though mine now fade, believe this to be true,  
I am joyous, looking at you.

When I gaze into your eyes, it's not goodbye,  
Just a moment's rest, for both you and I.  
As we rest, the fire within us will burn brighter once more."

## My Dreams

In the city lights, where dreams collide,  
I'm chasing shadows, on this wild ride.  
Through the highs and lows, I'll find my way,  
No surrender, no giving in today.  
I've tasted failure, felt the bitter sting,  
But I rise from the ashes, like a phoenix taking wing.  
In the echoes of doubt, I'll find my scream,  
I'm painting my path, with colors so extreme.

I won't give up, won't back down,  
I'll wear my scars like a golden crown.  
In the ring of life, I'll dance and sway,  
Never giving up on my dreams, not today.  
Through the stormy nights, and the pouring rain,  
I'll keep on dancing, I'll break the chain.  
Every setback, just a stepping stone,  
I'll stand my ground, I won't stand alone.

In the mirror of doubt, I'll find my reflection,  
I'll break through the walls, with fierce determination.  
I'll stand tall, in the face of the fight,  
In the rhythm of my heart, I'll find the light.  
On this rollercoaster of hope and despair,  
I'll ride the waves, I'll breathe the air.  
Through the whispers of naysayers, I'll rise,  
I won't be silenced, I won't compromise.  
As the curtain falls, on this stage so grand,  
I'll hold my head high, in the shifting sand.  
For in the melody of courage, I'll find my way,  
Never giving up on my dreams, come what may.
