## summary

The flight of love

Blush of the moon

In Quiet Sorrow

A wild rose

In shimmering light

Prism of light

Unbound by time

Time was his guide

Bird song

Upon a surreal mist

Brightest star

Cherry blossom blooms

Silent warrior

Flame and Steel

Teardrops

Upon the tides

Mirrors

Amidst a dark night

Love's caress

A silent lullaby

Haunting shore

## The flight of love

Only love can ride the currents of time  
Spread on the wings of the devine  
A powerfull force that soars free  
As soft as a feather  
As gentle as a breeze

## Blush of the moon

A warm sunset  
Captivated the moon  
To set it ablaze  
In fiery hues  
Blushing it's light  
Across twilight sky's

## In Quiet Sorrow

In quiet sorrow he knows  
Tears fall like liquid gold  
A true alchemist  
Forged from a beautiful soul

## A wild rose

Wild rose

Immortal love

In deepest shades

Delicate tints

Sweetest scent

## In shimmering light

A black rose

A mystery

Under dark skys

It's beauty alluring

In shimmering light

## Prism of light

If your light  
Was to touch the heart  
In radiance  
A prism  
Of vivid colours

## Unbound by time

Two souls journey into eternal love

One guides the other

Bonded through lifetimes

Unbound by time

## Time was his guide

In darkness was his pain  
Sweet time was his guide  
Love was his strength  
To heal from inside

## Bird song

Beautiful is the bird song  
As pure as morning dew  
A longing for his mate  
Awakened by the dawn

## Upon a surreal mist

Upon a surreal mist  
Words glide like gentle silk  
Weaves into her heart  
In waves of silken thread  
And whispers of love  
True to her heart

## Brightest star

When darkness blankets  
Look up my love  
Your the brightest star  
In deep velvet sky's

## Cherry blossom blooms

A soft wind drifts  
Through cherry blossom blooms  
A fleeting beauty  
Sacred to time

## Silent warrior

In radiance

Hold your head up high

Silent warrior

A diamond shines

It's light does not shy

## Flame and Steel

Love Weaves into a knights tale  
To find his love  
He must find himself  
The universe will test at every turn  
In cracks where the darkest shadows dwell  
To test his spirit  
To sharpen his steel  
Yet his shining armour does not hide  
His burning heart  
That flames inside  
For true love echo's  
Compels him on

## Teardrops

Her teardrops mirror  
A Starlit sky  
In the beauty  
Of the soul  
That yearns to heal

## Upon the tides

In gentle soft light  
Drift petals upon the tide  
Carried by deep love

## Mirrors

Love reflected in hearts  
Are beautiful mirrors  
To the soul

## Amidst a dark night

A blue flame flickers  
Enchanting in deepest blue  
Amidst a dark night

## Love's caress

So close ever drawn  
Tender deep in Love's caress  
Hearts bleed into one

## A silent lullaby

Softness is the night  
Where quiet petals drift  
In a silken web of light  
A silent Lullaby

## Haunting shore

Vivid was the dream  
Fog upon the haunting shore  
Grey birds startled flew
