

# Anthology of Sophie

Presented by

*My poetic Side* **P**

## Dedication

*To those who write what they feel and feel what they read and write. To the Muse of my dreams, pain and happiness.*

## About the author

I am what you read.

## summary

Bury Me Deep

## Bury Me Deep

### BURY ME DEEP

Bury me deep in your mind  
under the skin of a memory  
within the breaths of a kiss  
still warm on your lips  
bury me

Bury me above your chest  
below the walls of your heart  
and close to a burning plain  
bury me of love insane  
sensitive still to your stare  
still crazed by your touch  
bury me
