treason

You get it, I can't even see why you don't see why pay any bills, Losing all you see why can't get it, isn't a feel, you more focused on Siwa can get it bet you'll kneel, we don't care what you see Brah get up what's the deal, coming back aren't needing you can't get it fuck his feels, I get it isn't seen you pop him that's Jabrill, He can't get it but I see Brah coming it's a meal, you taught am so whale where the sharks dwell, pistol am be a bleeder took a knee well oh well you can piss am best believe her I could get it I won't fail yea this my Thirl feeder, I get it is it mail, you watched him goes Chica, coming wish me well in the lakes they may see yaw bumming that's for sell keep on wishing yea that's me bra, pop am there go gills like the fisheye's new fresh kill, Bruh, I can get Chu may just sip yaw may just sip yaw that be a mission get it can't be wishing fishy be next wishing finish that be treason

Me vs Me

What you want to do? It's just me and you, Choppa came in a few, show you what I do, listen they may boo cop him they may chew trick him that isn't cool, listening to me and you. He shall get you in a few knowing he won't cool Robbin there go boom keeping that shit cool this isn't what he do, listening to me and you, they may come it be a few, this isn't what he do, trick him he isn't cool teaching I say food lost up in a zoo it's just me and you, he a beast I say that's cool, kicking wish they knew, Choppa come in a few get him say whew come back I'm like who. Lost up in a zoo trick in I say food, be like what you want to do its just me and you, he can get it he won't shoot, is it you vs me stick him me vs me, chop him make him flee make him see its us riding in a truck, best believe, its luck now, promise he won't run now, you can get him, he in a tux now, running by the meter, yea this my 2-liter coco-cola heater, pistol tote he need yaw, running in a 2 seater, Hustling yea that's me Bruh, I get it would you need her, tussle I say leave her, I get it you aren't a feeder maybe a true bleeder

Reaper

Think I seen this before, Reaper in the dark man what you owe owe owe
Think I seen this before, reaper in the dark prepare to sow sow sow
man, just let me go release me from the shackles he awoke
He gone blow
tell me if you feel the wind don't know
think it's getting cold
think he see the flames he might just go

Titanic

Lost up in a sea deserted by me left upon of d, You feel the oceans breeze you can get it I can flee together you or me piss off this is us miss this is it trust I get it this was for us queens built from thrust throttles built from lust hurting mixed with emptiness of the lords earthling crust, I get it is a must you get it above Be's your love you miss him one of none a mischief from a dove covenant of your laughter your hatred I'm a river a rafter Be's your crafted the plot twist of your hunger pulled together one another bonded connection of a brother the moons laughter, a rafter pushes twist of your hunger pulled together one another bonded connection of a brother the moons laughter, a rafter pushes like waves mix me shown one another you get it hurt pain envy from a shutter mixing pointless movements beauty of the moon wishing be at noon the likelihood of a man be the lays of a shade sleepless nights I still breathe believe in me I believe I get it you run from the shafts of a envy but the loyalty be the things I grow from a gun a bullet to the lungs my lover one of none you know it my one

Missing

Be the one pointless thoughts of an American lung breathless ones, things lost from the one you stole from the hurt I may plunge a river be the one cry's of one the rivers, the one a gun bullets spring reload a gun bullets leave one the thoughtless pointless massage of my one fingers, so itchy bitches real bitchy they get it they envy your mistake of their envy, only you may be jiggly you hate it isn't with me I hate it you feel me love lost me deleting I get it we feel it you kneel it I hear it, going against the monsters relentlessly you hate it I know it ,I show it mistakenly awaken be the deaths left them shaking you love him he hate it the bookings of your cooking we need it, may need this, missing I miss it we digging can dig it a piglet Ms. Chicken I get your hungry my boiling killings pointless unhealing you get this I dig this Skys above relentless thy hissing your vision my mission I dig it more listening hissing thy wishing's above thy missing can't hurt him we're hissing you get it I'm missing your burden

Lockers

Lost it I know, you spot him they know there wishing for show I'm listening I know trust in your honesty may get it your policy tonight be a show fuck out here a go she comes Rapunzel together my muzzle hunting like Danzo your eyes will do, We get it the crew you mix it he miss it thought he'd be drenching the finish you witness a hunting unfinished I get it your wishing clanks my witness your listening unhinging the words what I'm mixing there finish, I witness the hunting's my mention get it a pigeon my flocking we licking no flocking they spinning you miss him be drenching You sipping my next one we're wicking you got it me what have we done you like it I write it school houses, which one we get the mix it the pageant the one elastic a nun fantastic a gun she catch it I'm gone my magic I'm one so natural we run my master we're done the heat from the tongue the clasping the grappling the mastering we've done the sorrow I've done a you for one

prey(predators)

Chickens ka haw birds of a feather flock together they thought, better understanding of mall tonight they'll sprawl tomorrow we thaw listen closely as we spot them approaching rooting for bloating spotting approaching rooting for you listen we kissing I get it there hissing we're listening and fishing I get I'm drenching you like I write a poet who's fighting tonight be a sighting I get we're fighting He's hoping for the best you lost it my chest time will tell I get she dwells coming my darling maybe a next meal hunting thy kill you miss them we feel the feeling of seals the sharks forming the wheel I get it my steal a prey from my gills I wash up then kneel you catch up a rose he talk I chose there coming expose you miss us my nose chin up as you closed you get her compose It's winter we know, lockers he close I mix her he knows we drench her Larose my Minta for lows get her a cloak, diamonds I know we meant a, lost it tomorrow the closet wishing I know be the prey arose and they fishing you get it there hissing case closed

Going

Going 1 of 1, together what you've concerned lessons I've won, back together a gun shooter the one
the pistol die on I caress thy moon she gets it a funny thing spit on the pistol the one choking she's
nun compared to my nun possession some fun we get it 1 1 caressing some fun we blessing
shogun, you miss it no fun you get it someone you miss it my lungs your breath my one she leaves
no fun we winning my lady if soon to be hating I'm playing while slaying the backseat awaiting you
hate it to late then I bless it caressing love you undressing you make it play with this mustache full
awakening mischief of the burdens will never leave you hurting I love it the chosen me blessings a
rose and the backseat still soaking your spread leaves me woken unrelated the frozen you get me
dark rose and the chosen one I'm hoping I feel it my listing I'm wishing its missing hopefully un
soaking I miss you the flow and the house unrolling pistol toting streets calling un knowing you get it
unfolding my pistol its blowing no folding

Lonely

Turn around,
do they know me,
stand over me,
too phony,
can't come around no more tried to hoe me,
look around,
guess that's what makes me lonely

Emotionally Unavailable

oh, girl you know you showing
you look to beautiful
I couldn't get it.
you won't with it
I guess I'll hit
the road
oh no you say please don't go
but you the one kicking the door
you won't with it
I couldn't get it
guess I was blind
for sure
out of my mind
I know
I'm on my grind
you know
I couldn't get it
I won't in it
emotionally unavailable

Artemis

Aren't no princesses in the forest
got to get it what you are running for
hunting like it's something in the dark could be something doh
Lonesome
she gone go and get it, isn't a pageant look like a bow or some
a mistress
a misses
love the way she kicks it
So stunning, Shes hunting, always up to something
so heartless
the Harshes
Wonder if its

upcoming

We were the ones upcoming
wishing
where was they were they still out hunting
this is the real-life soldier
no don't go this the real life 1 hundred
yea the prosper
I show 2 something always that to show we something
life will fulfill you with all the wishes
always turn nothing into something
got to stay real all the love upcoming
show who fake niggas appealing
I don't hate said to pop them it's too late
I say let's hop with the drake
I say now this who don't play
let me know he lay
let me know what he says

Eye 2 Eye

Believe in me
you know I try
Look at me that's
eye 2 eye
believe in me
I wonder why
Loving me What wonders far cry
Sacred love
loving My
Sounds
Alive
Sacred sounds
keeps her wandering why
we will always be eye 2 eye
