The Realm of Peace

The Realm of Peace

I am still.

The hummingbird perches on the windowsill.

I am reflecting on the natural world.

The discovery of the new arrival,
the calm hummingbird.

Hopes realized.

Invitations shared.

The Realm of Peace

Beauty voyaged home.

A Beauty To Enlighten The Sun

A Beauty to Enlighten the Sun

Coming home to the year of fulfillment,
As the autumn's revolutions within a day.

Coming home to the year of fulfillment,
By the winter's hearth of contentment.

Coming home to the year of fulfillment,
By the spring of the steps ahead.

Coming home to the year of fulfillment,
In the summer of a lover's eyes.

Coming home to the year of fulfillment,
A beauty to enlighten the sun.

~ Jamiano ~

Eternity

Eternity

To dream by night

To play by day

~ Jamiano ~

A Day for You

A Day for You

Celebrate each day's awakenings

Explore the wonder about you

A joyous discovery leads you to play

Beauty sown by dreams comes to you

~ Jamiano ~

A Sun for Joyful Days

A Sun For Joyful Days

I am a traveller, by desire.
I am a sigh, upon the sunlight's wavelength.
I am restful, within a tender breeze.
I am a voyager, to discover peace.
I am tranquility, to erase doubt.
I am a healer,
To sustain hopefulness,
Treasured by memory.
I am the dreams of a lifetime.
I am a sun for joyful days.
~ Jamiano ~

Will to be Free

Will to be Free

Will to be free
Thoughts residing within thee
Belonging and longing
Serve thee in equal ways
As the liberty of play

To love and to dream
Will to be free
Thy destiny

~ Jamiano ~

A Love to Dream the Soul

A Love to Dream the Soul

Fare thee well, my love.
Be true to your peace.
Live by your heart's desire.
A Love to Dream the Soul.

Fare thee well, my love.
Be joyful of your beauty.
Wonder upon your journey of mindfulness.
A Love to Dream the Soul.

Fare thee well, my love.
Be hopeful of the longing within you.
Play the music, the spirit of constancy.
A Love to Dream the Soul.

~ Jamiano ~

Love Serves The Need

Love Serves The Need

From where I've been,
There must be a road,
That leads me to never plead again
And thoughts of you no longer than before.
Today's reality of you,
natural as a felled droplet of dew,
unseen and unheard.
I will awaken to wonder,
As the beauty of the day
Discovers time as play.
Love serves the need.
~Jamiano~

Voyage of Words

Voyage of Words

An epic thread of words
reveals sensations,
wondered and wrought.
A humble desire,
to easily be free -
as a breath ago.
A dream to navigate
As nature streams.
A leaf at ease,
within the enormity of a tree.
Voyage of words.

Close to Dreams Afar

Close to Dreams Afar

Close to dreams afar,
a poet romances the fantasy,
for the imagination to soar...

~ Jamiano ~

Dream Upon Desire

A desire, once upon a time,
becomes the dream for today.

~ Jamiano ~

The Wilderness of One's Dreams

The Wilderness of One's Dreams

The nature of one's dreams
Lives in the realm of beauty.
The quest to explore.
The test to examine.
One's mind randomly wanders
From the base of doubt,
To the summit of knowledge.
One's awakening of hopefulness is love.
Let joyous expectation be one's daily guide,
To lead one's imagination,
In the wilderness of one's dreams.

~ Jamiano ~

Peacefulness

A tender music plays,

Blessed by romance,

Peacefulness.

~ Jamiano ~
